

**PARKWAY LAKE ESTATES HOMEOWNER'S ASSOCIATION**

**Architectural Control Committee Request Form**

If you plan on making any visible exterior alterations/changes to your home, complete and submit this form to the Architectural Control Committee (ACC) for review. As stated in the Parkway Lake Estates Covenants and Bylaws, written approval from the ACC is needed before any work is begun. All alterations must comply with the Association's governing documents, City and County codes. The homeowner is responsible for obtaining necessary City/County permits prior to the start of the project.

Homeowner: Attach a copy of the contractor's proposal if applicable. You may scan or email the ACC form and associated proposal(s) to [webmaster@parkwaylakeestates.com](mailto:webmaster@parkwaylakeestates.com). You will be contacted if additional information is required. Upon the Boards review you will receive a response from our ACC.
