CAUTION:

State law forbids the DPD from distributing information involving either juvenile perpetrators or juvenile victims.

Therefore, any incidents in your neighborhood involving juveniles as perpetrators or as victims are probably not listed here, making this report less useful than it should be.

The Crime Watch community would like to see that law amended or re-interpreted to allow the DPD to at least publish incident number, date, description, generalized address, and Method of Offense for all crimes.

Notes:

[1]: * = Duration of occurrence >= 2 hr (date and/or time may not be actual start time of offense)

UCR = Uniform Crime Reporting standardized crime description (used by FBI and most Police departments)

Part 1: Incidents with a '1' or '2' in this column are more serious crimes, frequently mentioned separately in Police crime reports

Part 1 crimes include Murder, Rape, Robbery, Agg Assault, Burglary, Theft, UUMV, Arson & Bomb Threat

Part 2 crimes include Assault, Forgery & Counterfeit, Fraud, Embezzlement, Fence, Vandal & Crim Misch, Carrying Prohibited Weapon, Prosti Commer Vice, Sex Off & Indec Cond, Narc & Drugs, Gambling, Offense Against Child, DWI, Liquor, Drunk & Disord, Disorderly Conduct

G/FV = 'G' if the incident was gang-related, 'F' if family violence, 'GF' if both

Note that columns C (Occurrence End) and K (Premises) are hidden in order to fit sheet on page (landscape) for printing.
